29. [REDACTED] TRAVEL Pat Long, House Permanent Select Committee on Intelligence staff, called to tell me that Representative John M. Ashbrook (R., Ohio), Member of the Subcommittee on Evaluation, may attend the 29 March briefing on the [REDACTED] that has been set up for Dick Giza, of the staff, and Pat Long. Mr. Long told me that Representative Ashbrook will be staying at [REDACTED] and can be located at [REDACTED]. Mr. Long told me he would contact me by 27 March to confirm whether or not Representative Ashbrook desired to attend the briefing.

30. [REDACTED] LIAISON Pat Long, House Permanent Select Committee on Intelligence staff, called with three requests from Representative Bob Wilson (R., Calif.), Member of Subcommittee on Oversight. The requests were: (a) to meet with an expert on terrorism, (b) to see any psychological profiles that CIA might have prepared on terrorists. In the event we have no such profiles, Representative Wilson would appreciate our directing him to somebody else who would, and (c) Representative Wilson wanted to know whether we have information on any underground pipeline to get dissidents out of the Soviet Union. I told Pat that I would get back to him on these matters and have passed them on in memorandum form to Don Gregg, SA/DO/O

34. [] LIAISON Ira Goldman, on the personal staff of Representative Robert McClory (R., Ill.), Subcommittee on Legislation, called with regard to his clearance. It had been Mr. Goldman's understanding that CIA placed a higher value (therefore would be more likely and willing to discuss charter legislation with him) if he had a Top Secret clearance obtained through the House Judiciary Committee (and the FBI) than a DOD Top Secret clearance. After checking with DCI Security Officer, I assured Mr. Goldman that we did not distinguish between Top Secret clearances.

35. [] LIAISON Called Dick Giza, House Permanent Select Committee on Intelligence staff, to find out whether he still intended to come out to the Agency to read OSO self evaluation reports this afternoon. Mr. Giza said that he couldn't make it but that there was a chance that he could come out Friday, 24 March. I passed this message on to [] OSO.

36. [] LIAISON Diane LaVoy, House Permanent Select Committee on Intelligence staff, called with three requests: (a) she wants to review any document that provides the DCI with responsibility for providing intelligence warning to the rest of the Intelligence Community and/or the President; she is particularly interested in the language employed in such a document, (b) she would like to review the paper setting out the NIO system with particular reference to any language giving the NIOs responsibility for handling warning, and (c) she wants to have a meeting with Dick Lehman, Deputy Director, NFAC, sometime after Mr. Lehman returns from his current trip [] I have passed all of these requirements on to [] NFAC/CSS, and asked him to provide an early response on subparagraphs (a) and (b).
